

officers have NOT signed the selective service draft at the post office or reported for induction as required, and instead they have formed a new illegal military with its own new political flag and they use belligerent terrorists as infantry. They also use biological and chemical warfare weapons in combat and to torture prisoners of war in violation of military rules and every law in the United States. The Cedar Rapids "police" officers also have not graduated from high school or earned their 2 year associates degree from college, passed the Minnesota multi phase personality inventory, graduated from 16 weeks basic training at Camp Dodge Iowa law enforcement academy, or completed the required number of hours police academy. Infantryman Jupis testified under oath that he did not graduate from college or high school, but he claims that he graduated from the Cedar Rapids police academy that he claims is located at 505 1st Street SW Cedar Rapids instead of the correct Camp Dodge Iowa law enforcement academy near Des Moines Iowa. At this time governor Kim Reynolds has confirmed that 505 1st street Cedar Rapids is NOT the Iowa law enforcement academy the way that infantryman Jupis described under oath. Governor Reynolds has also confirmed that neither she nor her adjutant general has authorized the creation of a Cedar Rapids military as only a governor can do. President Joe Biden has also confirmed that he did NOT authorize the creation of a Cedar Rapids military as it would be illegal to do. Also in 2020 infantryman John Lindeman was holding me as a P.O.W. in the Benton county jail where I was raped, sexually assaulted and sexually harassed by one of his subordinate infantrymen name Devontez. Infantryman Devontez grabbed my penis and testicles and began to squeeze and fondle them for his own sexual gratification causing pain, bleeding, injury, sexual assault and P.T.S.D. I immediately filed a grievance and a P.R.E.A. or prison rape elimination act where infantryman John Lindeman wrote me a written response stating that he authorized infantryman Devontez to sexually assault me for his own gratification and that no legal action was to be taken against the rapist. This is a very serious crime against humanity and myself. Due to all of these reasons and many more, I find that the Cedar Rapids military will never stop being a threat to me, nor will I ever heal or recover from their inhuman and unlawful attacks. I declare war against the Cedar Rapids military, effective immediately. I find these truths to be self-evident.

Sincerely, Leo Wilton Bushnell
